2026-03-04

BOSTON--(BUSINESS WIRE)-- Today, Jackpocket announced that a \$250.8 million winning ticket was ordered using Jackpocket, America's No. 1 lottery courier app*. The lucky winner ordered the ticket in Arkansas and matched all winning numbers during Monday night's Powerball drawing – 2, 17, 18, 38, 62 – plus the Powerball® (20). This was only the winner's second order using the Jackpocket app.

"We're thrilled for our customer in Arkansas and amazed that just their second order placed with Jackpocket resulted in a life-changing \$250.8 million jackpot — setting a new Jackpocket record," said Pete Sullivan, SVP, Lottery at DraftKings. "This historic win underscores our commitment to delivering a best-in-class, secure, and seamless lottery experience for our customers."

The jackpot marks the largest prize ever won from a ticket ordered through Jackpocket, further solidifying the app's reputation as the leader in the lottery courier space. To date, Jackpocket customers across the nation have now won 80 prizes of \$1 million or more.

"The Arkansas Scholarship Lottery is proud to celebrate this \$250.8 million win alongside our retail partner, Jackpocket," said Arkansas Scholarship Lottery Executive Director Sharon Strong. "Through our collaboration, we have been able to provide Arkansans with more convenient ways to play lottery games, now leading to this historic moment.
